

Grant deadlines summary for the arts, humanities and social sciences  
November 2009 – January 2010

This summary provides an overview of key deadlines for major sponsors to the arts, humanities and social sciences. It is **not** a comprehensive listing of all opportunities available during this period. For further opportunities – particularly travel and conference grants – please check the funding opportunities calendar on the Research Office website  
<http://www.admin.cam.ac.uk/offices/research/funding/Opportunities.aspx>.

Please also note that this summary does not include open call schemes such as the AHRC and ESRC standard research grants and AHRC Research Fellowships, which can be applied to at any time. For these types of grants please allow a 5-day turnaround by the Research Office, but please also be aware that scheduled deadlines may mean that we are not able to turnaround your application within that time. We will do our best to advise you if this is likely to be the case.
