

INTELLIGENCE SEMINAR

Michelmas Term 2011

The start of another academic year sees the return of the Intelligence Seminar, so whether you have just arrived or an old hand welcome or welcome back! As in previous years, the Seminar will provide a forum for distinguished visiting speakers, the innovative intelligence research in progress in Cambridge, and discussion. There is usually time in the latter part of each Seminar for members, if they wish, to mention newly-declassified documents in the archives and other recent discoveries.

The seminar venue remains the New Combination Room at Corpus Christi College. We meet at 5.00 for tea with the seminar commencing at 5.30. The porters' lodge at Corpus will provide directions.

If you have any problems please contact Peter Martland at spm14@cam.ac.uk.

The Seminar acknowledges with gratitude financial support from the Mellon and Trevelyan Funds.
