The Core seminar combines multiple seminars: Medieval Economic and Social History; Early Modern Economic and Social History; Modern Economic and Social History; African Economic History; Global Economic History; Quantitative History; Financial History; the Centre for History and Economics; and the Cambridge Group for the History of Population and Social Structure. Their specialist seminar programmes do not run in Michaelmas term, but each meets separately again in Lent and (sometimes) Easter. The Core seminar is grateful for the support of Darwin College and for the generosity of the Trevelyan Fund. Seminar coordinators: Amy Erickson (ale25@cam.ac.uk), Leigh Shaw-Taylor (lmws2@cam.ac.uk), & Hilary Taylor (hat27@cam.ac.uk).
