## Cambridge American History Seminar Easter Term 2022

We are pleased to announce the schedule of seminars and events for Easter Term 2022. This term we will be continuing with weekly, in-person seminars, four of which will be held in **William Mong Hall, Sidney Sussex College**. One event, Nicholas Guyatt's book launch, will be held at Heffers.

During Lent 2022, we were excited to rediscover the regularity, intensity, and intimacy of our weekly, in-person seminars. And the wine too. We are also excited about the schedule we have assembled for Easter 2022, and the interchanges that we think the seminars will generate.

***Due to Covid regulations there are capacity limits for all in-person events. We will therefore be asking you to email Jonathan Goodwin to confirm your attendance. We will send out a note once we have reached capacity.***

Should the Covid situation worsen and the risk of in-person gatherings become too great, we will revert to Zoom for our seminars.

All inquiries should be directed to Jonathan Goodwin, [jmg216@cam.ac.uk](mailto:jmg216@cam.ac.uk), 01223 335317.

We look forward to seeing you on 2 May.
